

Sold Out Youth Foundation Alcohol / Drug Abstinence Education Program

Beaufort County School Parents,

The Sold Out School Alcohol and Drug Abstinence Education Program is proud to work with the Beaufort County Public Schools District in providing 100% Alcohol and Drug Abstinence Education training for your student(s), and comprehensive Fentanyl Education Program. Sold Out will be executing the online program in your schools shortly.

The reason for this letter is to make you aware of the 365 online school engagement program Sold Out will be making available for schools, students, parents, and community. The program provides vital information on a major killer of teenagers in our country, Fentanyl <https://soldouttv.com/fentanyl-education/>. You may access this parental drug and alcohol education website, which includes valuable life - saving information to further educate yourselves, keeping you and your students safe: <https://soldouttv.com/parental-curriculum/>. The password is parent100.

In the classrooms, Sold Out will be providing an opportunity for your students to take a three-step pledge to be drug and alcohol abstinent <https://soldouttv.com/the-sold-outpledge/>. Step three of the pledge encourages your student to discuss with you about the decision they made to choose drug and alcohol abstinence. This is a great opportunity to begin to engage with your student in a conversation about this critical subject. We hope you take advantage of the opportunity to have this important initial discussion with your student, and encourage them in their decision to be drug and alcohol abstinent. If you do not want your student to participate in this program, please call the school to let us know, and we will accommodate.

“The Sold Out Program was presented for First Flight School, where my daughter is a student. We watched the online program together, and discussed the content. She took the pledge immediately after finishing! Soon after we were on vacation with another family who had decided their daughter could have a drink. It was not even a temptation for my daughter, having had the opportunity to sign the pledge offered by Sold Out! Which made for a proud mom and an equally proud student! I highly recommend the Sold Out Program.” **Joan - Parent, First Flight Middle School, Kitty Hawk NC**

Sold Out's Mission is to educate, encourage, and challenge students to live a life of alcohol and drug abstinence, while delivering a 100% online student video life skills, overall health, wellness, and fitness education platform to public and private schools. Sold Out is a comprehensive 100% online alcohol and drug abstinence student engagement program (NC, CA, AZ, FL, TN, GA). Delivering immediate student feedback through a in school QR Code Pledge Poster. The program benefits middle, and high school grades.
