4. Turn in work within 2 days of return to class.

Absent

TOPICS

- ★ Unit 1: Equations & Introduction to Functions
- ★ Unit 2: Linear Functions
- ★ Unit 3: Exponential Functions

A Note from Mrs. Lisa Johnson...

I have enjoyed being a part of the Seahawk family for the past 19 years! I look forward to yet another great semester working with students on their math endeavors.

I began my journey toward teaching by attending Atlantic Christian College in Wilson, NC. I completed my education in 1989 with a Bachelor of Science degree in Mathematics Education. Upon graduating, I began teaching middle school math and science in Wilson County, where I remained for 17 years. I continued my teaching journey by coming to Beaufort County in 2006. I started teaching high school math here at Southside High School in February of that year. I taught here until I retired in June 2021. I have returned to SHS to teach part-time to help students learn math as well as to help the math department to continue to improve math understanding and lower class size.

I'm so excited to be here to work with you on your educational journey this semester! If you have any questions or concerns during the semester please feel free to contact me. The fastest way to reach me is email, ljohnson@beaufort.k12.nc.us. If you call Southside and leave a message for me after 10:00 am each day, I will not be able to return your call until the next day due to my part-time status. I will return your call as soon as possible, though!

Please Read the Information Below and Complete the Attached Form and Return to Mrs. Johnson:

- ☐ I have read and understand the information noted in this syllabus.
- ☐ I understand that **electronic devices should not be out** during class and are to be put out of sight in a pocket or bag.
- ☐ I have read and understand the **classroom expectations** for Mrs. Johnson's classroom.
- ☐ I understand that when a student is **absent** it is their responsibility to get their assignments from the location noted by Mrs. Johnson in the classroom.
- ☐ I understand that It is the student's responsibility to watch lesson videos posted in Google Classroom, take notes, and to turn in completed assignments to Mrs. Johnson.
- ☐ I understand **absent work** is due the day after student returns to school. An extended amount of time will be given for absences longer than one day.
- ☐ I understand that there will be **homework assignments** almost every day and sometimes there will be class time to work on the assignments the day the work is given and sometimes class time will not be given to start the work.
- ☐ I understand that **progress reports** will be given out once each 9 weeks and need to be signed by parent/guardian, and returned to Mrs. Johnson.
- ☐ I have provided a **parent/guardian email** on the attached form.
